Important information

- ◆ It is recommended that the fittings are installed by a qualified electrician ensuring the installation complies with current IEE wiring regulations & local building control.
- ◆ Always switch off mains supply before installation.

Smart Life APP Instructions

1. Download MOES App on App store or scan the QR code

MOES App is upgraded as much more compatibility than Tuya Smart/Smart Life App, functional well for scene controlled by Siri, widget and scene recommendations as the fully new customized service.
(Note: Tuya Smart/Smart Life App still works, but MOES App is highly recommended)

2. Registration or Log in.

- Download "MOES" Application.
- Enter the Register/Login interface; tap

"Register" to create an account by entering your phone number to get verification code and "Set password". Choose "Log in" if you already have a MOES account.

3. Add lamp to Smart Life APP

- Tap the icon "+" on the top corner of "My device" page, choose your device type - Light Source(BLE+Wi-Fi), then follow the instructions in the APP to connect the lamp.

4. The lamp needs to be set to flash rapidly.

Please follow the 2 steps below:

Step 2/2

Confirm light Lamps and lanterns is now rapidly flashing (2 times per second)

5. After connection, the lamp will appear in your list and you can control it from anywhere in the world.

You can also rename the lamp and group more lamps.

Compatible with Amazon Alexa and Google Home
